

CANAAN BAPTIST CHURCH
"The Gem of Germantown"

Despite recent guidance from Philadelphia city government, Canaan's senior leadership team has determined that, until further notice, Canaan's current face mask requirement will remain in effect. We have come to this decision for the safety of the Canaanites and our guests as we believe masks are a great tool to combat the spread of COVID-19. As a reminder: all members, guests, and staff are required to wear a face mask or face covering over their nose and mouth while indoors on the Canaan campus, regardless of vaccination status. We continue to encourage all Canaanites to receive COVID-19 vaccinations and boosters and to remain vigilant in their daily life. If you or anyone you know is in need of a vaccination or booster, please visit www.vaccines.gov or call (800) 232-0233. The church leadership will continue to prayerfully monitor the ongoing COVID-19 pandemic and will update Canaan's protocols as conditions improve. We thank you for your prayers and cooperation.

Regards, Canaan Leadership Team
